

2026 PRODUCT CATALOGUE

**PONIS
METAL**

About Us

Ponis Metal, closely monitors global trends and technological developments in the production of panels, workbenches, tool carts, transport trolleys, and lockers. With our expert engineering team, we maintain customer satisfaction at the highest level. We continuously expand our business volume with an approach that always prioritizes customer satisfaction.

By basing our production processes on a philosophy of quality and increasing awareness among our engineering staff, we aim to be the industry's first choice.
